YAMAZAKI JAPANESE RESTAURANT & BAR

Yamazaki Japanese Restaurant & Bar is the only prime and cultured section of Singapore where contemporary design and F&B are collaborated and fused by an in-house team of radically advanced individuals. Opened in late 2015, Yamazaki Japanese Restaurant & Bar was launched by a team of talented, charismatic and well experienced leaders whom are good friends from the F&B background comprising of two visionary directors and two humble investors.

YAMAZAKI JAPANESE RESTAURANT & BAR

Where most restaurants have limitations, sadly restricting the potential substantial benefits of any private or corporate event, Yamazaki Restaurant & Bar is exactly the opposing force that has its service team and chefs banding up together to conduct beyond-the-box professionalism.

Yamazaki Japanese Restaurant & Bar features two live stations including Yakitori Counter as well as Sushi Bar Counter, each offering exceptional selections made from the finest ingredients. The award-winning Yakitori Head Chef founded a special and unique skill to enhance his charcoal grill skewers, dusting with nothing but salt to accentuate the meat's nature flavours, with an extensive range of yakitori mimicking those found in the smoky yakitori joints in Tokyo's Shinjuku.

YAMAZAKI JAPANESE RESTAURANT & BAR

Apart from the 8 seats at the Yakitori Counter and 10 seats at the Sushi Bar Counter, our comfortable Sumiyaki Dining Room comprises of 22 seats and another spacious Main Dining Hall comprises of up to 50 seats and last but not least the beautiful scenery Alfresco Area comprises of up to 70 seats with an amazing view, hence a total of 160 seats are available at Yamazaki Japanese Restaurant & Bar at the famous, historical location and busy tourist spot, One Fullerton, Singapore.

Just after launching the restaurant, in months, Yamazaki Japanese Restaurant & Bar had attained several notable positive feedbacks and also honoured the award as one of the Singapore's Top Restaurant in early 2016 by a famous and reputable annual Food & Beverage magazine and guidebook, which was established since 1996.
