About us

Cosi has been at the forefront of South Yarra dining for around 20 years building over time a reputation for contemporary Italian food, a vibrant atmosphere with familiar surroundings. The restaurant draws a crowd of corporate diners for lunch and a more relaxed customer in the evenings.

When it comes to our functions capabilities we are able to offer a range of options that can suit any celebrations. Whether it be a birthday, Christening, corporate functions or Christmas parties you can be assured that our events team and chefs will make your day memorable.

Chef and co-owner Peter Boukouras has a deep passion for working with the freshest produce that Melbourne has to offer. He has a love and respect for traditional Italian cooking with the ability to add a contemporary flair for the more modern clientele. When writing the menu, utilising the seasons is the key, we will often source organic produce to provide our customers with the highest quality and freshest meal options.

Just like our food menus, we are constantly re-writing our wine lists to reflect what is in season, on trend and most readily available. When arranging your event, our team will be in contact with you as we are here to look after your ever need. Our professional staff will take care of everything from alcohol, food, table plans, music and even flowers if you wish.

The space

Cosi offers three different dining areas, of these you have the option to hire one or all three areas. In the bar we offer the canape/cocktail menu however in both the restaurant and courtyard you can decide which menu would suit your needs best. Our dedicated team will always assist you in any way possible to make you event as memorable as possible.

Bar

Our bar is perfect for more casual functions whereby you may like to have some cocktails and canapes on hand for all to enjoy. This area is offset from the main dining area and with the capacity for approximately 20 guests this space is perfect for birthday's or end of year corporate functions. We have seating throughout as well as plenty of standing room. On a warm Summer evening there is also the option to have the front windows open to make use of our outdoor seating along vibrant Toorak rd. Our cocktail list is updated regularly to make use of the freshest fruits and ingredients each season as is the canapes menu.

Restaurant

Cosi is known around South Yarra for its charm and familiarity. With its welcoming fireplace and timber features we are sure that all your guests will be impressed with what is on offer. Seating up to 80 or for a cocktail party of 120 the restaurant can be booked for your exclusive use. When booking the restaurant, you will have access to the full bar and all menus will be tailored to your needs. Table configurations can be set to accommodate any number of guests, for smaller functions we can open the space at the bar to create an area for your guests to have canapes on arrival.

This area is perfect for medium sized groups with all menu options available. The courtyard has the capacity for 40 guests seated or 70 standing.
